

Choosing a Pet

Which pet would you want to persuade your family you would like to keep?

You might like to consider some of these points:
(HA children could use disadvantages of one pet to motivate reasons for keeping another)

- *what it eats
- *purchase cost
- *ongoing costs
- *equipment
- *attention
- *exercise
- *possible allergies?
- *training?
- *fears of others
- *consideration for other pets in the house already
- *how much time do you / family have for it?
