

Best Work Display.

Use these captions to label photographs of children who demonstrate "best practice".
We have also got our children to write a brief description to explain the caption.

I use 'think, pair, share' with
my talking partner.

To correct spelling, I use
'look, say cover write check'.

I hold my pencil correctly.
(Like a chopstick and not like
an octopus would!)

I try to read often as I know
it helps to make my brains
grow.

I think about all questions—
so that I am ready to answer.

I always do my best!

I hold my pencil correctly.

When I write, I sit up and
hold my book.

My work is well-presented
and easy to follow.

I write the date and LO
correctly.

I use my work time
productively (no fussing).

I make sure my pencil is
sharp.

I know what my targets are
and do my best to improve
them every time I work.

I enjoy working.

I enjoy doing my best.

I work hard because I enjoy
making my brains grow.

I like to work hard (sweat!).

I always do my best.
