

Sikh Gurus

The Sikh Guru jigsaw activity requires:

- *Ten information cards
- *An A4 template containing two individual recording sheets
- *An A4 template containing one A4 group recording sheet

These cards can be used either as an information resource or for a jigsaw activity.

For the jigsaw activity:

1. Children in home groups. Give each child an individual recording sheet.
2. Place Guru information cards into 5x2 groups.
3. Split home groups and send children to these five groups with individual recording sheets.
4. Children to return to their home groups and share information by filling in the group recording sheet. (Enlarge to A3)
5. As a plenary, try to establish which Guru was least/most important. (Guide children to discover that ALL contributed significantly.)
